

## 6. PUBLIC PARTICIPATION: HOW TO PARTICIPATE IN THE DECISION-MAKING PROCESS

The public and state and local government officials are invited to review this document. Written comments on the document and DOE's preferred option may be made during a 45-day public comment period which begins September 6, 1995 and ends October 21, 1995. Comments for the administrative record will be accepted any time during the public comment period.

Copies of the *Engineering Evaluation/Cost Analysis (EE/CA) for the Colonie Site, Colonie, New York* are available at the following location:

William K. Sanford Town Library  
629 Albany - Shaker Road  
Loudonville, New York 12211

Copies of this document will also be provided upon request by calling DOE's toll-free number at 1-800-253-9759 or (518) 482-0237.

DOE will evaluate and respond to significant comments received during the public comment period. DOE is especially interested in input regarding the preferred option and any considerations for carrying out the cleanup remedy. Final selection of the cleanup remedy will not be made until comments have been evaluated and concerns have been addressed. Written comments should be addressed to:
